IRB Bank & The Éire Community Mint Process

The Bonds (B.S.C.B.'s)

Once Minted, the Community Treasury Bonds will be retained for safekeeping in the safe or vault of the relevant Community Treasury which will be situate at the GHQ of the relevant Community Council.

The Treasurer of the Treasury of the relevant Community Council will safeguard the Community Treasury Bonds under his/her Oath and as Keyholder for the GHQ and the safe or vault.

Where a relevant Community Treasury does not yet hold unrestricted access to the keys of the relevant GHQ and the safe or vault, those Community Bonds will be retained for safekeeping in the safe/vault situate at the GHQ for the Éire Community Council in the interim.
