numbers, signatures, and thumbprints. Attendees were reminded that for birth certificates issued prior to 1993, only given names (excluding surnames) are used during signing.

Éire Meitheal Punt Target:

- The value of the Éire Meitheal Punt is pegged to one ounce of silver (approximately €65).
- Target established: Reach the equivalent of €1 billion (requiring 67 additional mintings/birth certs before 30th September 2026).
- Current status: 37 remaining to hit the 67 threshold; total count stands at 300+ birth certificates processed overall.

Resolution on Safe Passage: A resolution was passed permitting designated custodians (including John B. Caulfield, Tom Walsh, and Colm Granahan) to transport ledgers on behalf of incapacitated individuals or those unable to travel.

Digital Currency Development: Contact established with an App developer from Cork to assist in creating the app to facilitate Éire Meitheal Punt transactions.

3. Formal Meeting Opening & Proclamation

Liam Stack formally opened the meeting proper by leading the 1916 Proclamation of the Irish Republic (*Poblacht na hÉireann*).

4. Organisational Governance & Structure Alignment

- **Structural Integration:** Review of the operating and procedural statement linking the IRB, Óglaigh na hÉireann, IRB Sinn Féin, Éire Community Councils, and subordinate bodies (e.g., Éire Natural Farming Organisation, National Economic Council).
- **Restoration of Dáil Departments:** Discussion regarding the nine original sovereign Dáil departments (Finance, Fisheries, Local Government & Public Health, Education & Irish, Lands & Agriculture, Industry & Commerce, Post & Telegraphs, Defence, Foreign Affairs).

7. Administrative Updates & Registration

Electoral Commission / Registration Updates: Update provided on the IRB Home Affairs registration documentation submitted to Art O'Leary. Noted temporary website display glitches for Northern Ireland electoral website; Tom Walsh (Treasurer) to send follow-up correspondence/inquiries.

Public Domain Strategy: Central website visual materials, video and archive materials to be uploaded directly to Faodhla media channels.

8. Strategy on Legislation & Sovereign Population Representation

Reversing Corporate Legislation / Notice Strategy:

- Discussion on counteracting municipal district and corporate council legislative actions.
- Central office will publish total population metrics for each of the 166 local electoral mapped areas (utilising CSO data, including sovereign voters under 18).

ÉIRC

Irish Republican Brotherhood

- **Natural Law Voting Principle:** Established the principle that when national/obnoxious legislation is introduced, the Éire Community Council / IRB Home Affairs will issue public notices asking if any sovereign inhabitant votes "Yes". If no "Yes" votes are received within 28 days, it is formally declared rejected. Re-affirmed that under natural law and Brehon principles, **not voting constitutes a "No" vote** against corporate statutory imposition.

9. Sovereign Licensing & Legal Updates

Sovereign Licences: Re-affirmed the automatic renewal of sovereign licences on 20th January / 21st January provided they have not been misused or abused. Emphasised the need for inner-circle members to active-test sovereign licences (e.g., healthcare, home education, financial advisory, trade) to establish legal precedent.

CORU / High Court Case Update:

- Anna-Marie Stack-Rivas provided an update regarding an ex parte High Court suspension application by CORU.
- By filing a counter-affidavit on Tuesday morning before the ex-parte hearing on Wednesday, CORU was prevented from obtaining an ex-parte order. CORU has since requested complete files, to which formal responses are being prepared citing constitutional rights to earn a livelihood, free speech, and assembly.

Private Travel Status: Re-affirmed that the private travel framework (incorporating UPU number plates, public/private windshield declarations, and private travel licences) stands established and legally unchallenged across recent court appearances.

Vehicle Roadworthiness (NCT Equivalent): Proposal tabled to explore an internal sovereign roadworthiness inspection process for private conveyances.

10. Site Claims & Local Community Issues

Willowbank Property: Confirmed that the long-standing claim on Willowbank remains in the public domain (>1 year and 1 day). Folio Entry No. 2 confirms the legal right of passage for Martin Maguire's heirs and assigns (Billy Maguire). Architect Ted Joyce will prepare formal plans for the site prior to laying a foundational raft/temporary structure.

Westport Wind Farm Objections: Liam Costello raised concerns regarding a proposed wind farm development in Aghagower/Westport. The local council will draft a formal statement of concern, gather community signatures/thumbprints, and automatically enroll signatories into the local co-op structure.

Meeting closes 15:15 IRT. 16:40 GMT
