Claim of Fact and Declaration of Dominion

As part of a Unique Collective Consciousness; by the Manifest of a Divine Creator; Divine Law; a Spiritual Being of Unique Mind living in Flesh and Blood.

I, Man; *John P. Flanagan* : in Oneness and in furtherance of my Claim of Fact and Declaration of Dominion of 23rd May '21; and for convenience and consistency between classic and modern states; and for clarity; hereby further Claim and Declare Dominion;

Whereas; One's unique genesis known biologically as fertilisation is both a creative Act of God and true Origin of the Species; and an individual's Ark is wholly in accordance with the Laws of Nature and Nature's God;

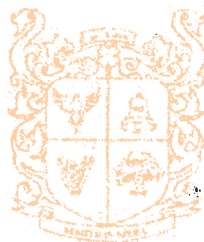

One's Ark begins with the implication of Father's 22-chromosome sperm and Mother's 23-chromosome-ovum giving a single 46-chromosome Zygote; defined at stage by the pellucid membrane in perfect original package and direct matrilineal dowry in the womb; evolving without sunder throughout One's continuous mortal journey terminating only upon One's last expired breath beyond the womb;

I am, as Spirit, prior to the fundamental manifestation of One's exclusive Ark; existing as a single owner/occupant of this faultless homing of identity from its quaternary genesis; and will continue to exist beyond its demise through One's dual genetic offspring;

I am, as Spirit, the one and only Lord and Master with dominion over the genetically continuous and contiguous and evolutionary Ark; including all its works or products, input or output, be it technology, biological/spiritual, intellectual/artistic, capital/labour, written/spoken, or anything otherwise;

I am, as Spirit, always in direct communication with One's Father; for I and my Father are One just as I and my Mother are One and as a singular Supreme Being, I, for One, require no intermediation; for this is an absurd conception and bar clearly contrary to the inherent Oneness of the Laws of Nature and Nature's God.

No one can have a servitude over his own property. A Man: H.L. Coe 151
