BRÁITHREACHAS Phoblacht na hÉireann

The Éire Meitheal Punt ("the EMP") ("É")

Activation Date
3 NOV 2025

Introduction

The EMP will be Sovereign Asset Backed Money for the People of Ireland to be administered through the Irish Republic Bank by the Sovereign Mint.

Development

386,388,742,374.00 EMP's (Three Hundred and Eighty-Six Billion Three Hundred and Eighty-Eight Million Seven Hundred and Forty-Two Thousand Three Hundred and Seventy-Four É) will be mined to espouse with the Estimated Value £ of the Title 4 Triple Crown Flag as salvaged for the Sovereign Éire Nation State and the People of Ireland under Droit No: UPU100033UK

The 386,388,742,374.00 EMP's once mined will be vested in the Irish Republic Bank in consonance with the Bank Charter & Covenant of the Irish Republic Bank for the People of Ireland

The People of Ireland, as Sovereign Claimants in Éire, may become Beneficiaries of the Irish Republic Bank in alignment with their Authentic Birth Certificate Bond. The then Bonded Sovereign Claimant Beneficiary ("BSCB") may then cast the denominated amount of EMP's with the Community Sovereign Mint for the Éire Communities and the People of Ireland.

Process

A BSCB will present Fiat Currency for record of Serial Numbers to the Community Sovereign Mint for application of Sovereign Stamp for transformation of the Fiat Currency. The transformed Fiat Currency is then returned to the Beneficiary. Ten (1x and 9x) equivalent denominations will be then minted from the É386,388,742,374.00 Treasury for movement in the Éire Communities.

Bank Charter & Covenant Of the Irish Republic Bank For the People of Ireland

Acknowledging and protecting the Peoples' Rights and Customs as proclaimed in arms at 12:04pm IRT on Easter Monday April 24th 1916 and established by the Will and Wish of the People of Ireland and enshrined in their Constitution on January 21st 1919.

I

It be hereby granted under Instrument the IRB Bank belonging to the People of Ireland purposed to allow the benefits of the facilities granted by this Charter to be available for the People of Ireland in the Banks role as Custodian of the Nation's Monetary Assets to be expressly used to alleviate monetary hardship of the People of Ireland, without application of interest or usury policy.

II

The IRB Bank shall have the constitutional authority to challenge all alleged debts placed on the Nation, its' men and women and citizens, claimed by any and all jurisdictions, both domestic and foreign and is hereby granted all lawful powers necessary in its ultimate duty to seek relief and remedy for crimes against all parties, including fraud, by both domestic and foreign parties.

III

The IRB Bank shall have the constitutional authority to provide Drawdown of Funding from the Value of the Nation to facilitate the National Currency with both Lawful Money backed by its assets, without Usury, and also a Digital Currency available only for the Benefit of the Nation and the People of Ireland. In order to minimise any risk of debasement or devaluation of the National Currency, the Lawful Money and the Digital Currency is not available for purchase by any Foreign Government or Corporation.

IV

The IRB Bank shall operate within its mandate as Trustee for the Nation as enshrined in the 1916 Proclamation and the 1919 Constitution of Ireland and the 1920 IRB Constitution to operate in Trade with other Nations and it's People by way of purchase and sale of Commodities and Assets so as to maximise the benefits provided for the Nation and the People of Ireland.

V

The IRB Bank shall operate within its mandate to grant loans in its role as trustee for the Nation's Monetary Assets

VI

The IRB Bank shall operate as Custodian for the Monetary System for the benefit of the Nation and the People of Ireland enabling funding to the Nation without Usury but accounting for a nominal one time only administrative charge for valuable consideration of no more than 2% per agreement.

VII

The IRB Bank shall provide co-operative based funding on a community basis and local level including industry by loan or bounty and will recommend expert and efficient advice on monetary policies to all applicable parties free at source.

VIII

The IRB Bank shall operate in a positive manner to negate and minimise hardship of inflation for the People of the Nation by co-operation with the Nations Government to allow financing of Capital Projects through Private Funding initiatives and Public Funding initiatives in its role as Trustee for the Nation without Usury in exchange for Financial Instruments which will be used for the benefit of the Nation and the People of Ireland.

IX

The IRB Bank is granted the right to take, purchase or otherwise acquire, hold, deal with and dispose of, place and underwrite shares, stocks, debentures, debenture stocks, bonds, promissory notes, from any other organisation constituted or carrying on trade or business in any part of the world, and debentures, bonds, obligations or securities issued or guaranteed by any government or authority, municipal, local or otherwise in any part of the world whereby the provision of the negotiable instrument allows the IRB Bank to take the role of Holder in Due Course to trade the Financial Instrument whereupon such trade shall terminate the obligation therein as Trustee for the Nation.

X

The IRB Bank shall provide avenues of input into a combined Monetary Policy that enhances the differing industries and National Government Executives for its Nations men and women and citizens through funding granted with the relevant Custodians of the Nation for local and regional projects based on the expression of the People's genius, culture, productivity, infrastructure, police and justice, healthcare and wellbeing, housing, rail and transport expansion, sanitation upgrades, social welfare, and an education process which enhances individualism, creativity, initiative and core family values which ultimately will benefit and safeguard the Nation and its People.

XI

The IRB Bank shall support a Policy to enable such Placed Products as Regenerative Agriculture and Organic Agriculture to maximise the benefits of the Nations Land, Archipelago Landmass and Seas, including but not limited to submerged areas, and through the expression of its creative and technological advancements supporting the guarantee of the Nations Food Security.

XII

The IRB Bank shall co-operate with the National Government to ensure that the Nation's land, resources, archipelago landmass, seas and air, shall be bounteous for the future generations, to negate pollution and environmental damage, where appropriate and necessary in its role as Trustee for the Nation.

XIII

The IRB Bank shall promote the utilisation of its offshore assets in a way that limits and negates pollution. Through its co-operation with the National Government will assist the fisheries and marine resources in maximum efficiency. The IRB Bank shall facilitate and support initiatives that provide maximum benefits to the Nation in offshore resources, including fields of oil and natural gas and alternative energy technologies which can promote the ultimate quality of life for the People of the Nation.

XIV

The IRB Bank shall assist to provide the capability needed for the Nations' food security through technological advancements including but not limited to Vertical Farm Technology, Organic and Regenerative Agriculture, Holistic Management of Livestock and the National Resources, Water De-toxification, including but not limited to Water De-Chlorinisation, Water Purification in its Waters, Lakes, Rivers and Estuaries.
